Training Topic
Not Just another Leadership Workshop:
How to Help Your Youth Become Second-to-None Leaders

Join us for a high-energy training where we take you through our youth leadership workshop. By participating in the workshop, you'll be equipped to facilitate with the youth in your organization by:

- Setting a clear vision for their ULTIMATE life.
- Set goals the right way as the building blocks to achieve that vision.
- Overcome obstacles that arise in pursuit of their goals.
- Maximize their ability to positively influence others through true leadership by example.

Attendees will also receive:

- The 220 Empowerment Video Pack, a collection of videos, discussion topics and questions for you to use when engaging youth when you’re back at your respective site
- A follow up phone call with 220 Leadership to discuss implementation strategies for youth leadership programs at your site

Registration Information: You must pre-register for this training. Registrations will be accepted until the capacity for the training has been reached. Please email Jackie Richie at ianetwrk@att.net or call 217-953-4620 to register. IAN training policy states that late arrivals after the 15 minutes grace period will not receive a training certificate and may be asked to leave if seating is not available.
