Developing a Social Emotional Learning Climate in our After School Program

Wednesday, December 11, 2019 • 10:00–11:30AM

When developing a SEL climate, all elements of an institution i.e. discipline, classroom management, curriculum, etc. must reflect and uphold the skills and attitudes of social and emotional competence. Attendees will gain strategies on how to create safe spaces, learn creative check-ins, check-outs and participate in activities to encourage continued social and emotional learning through instruction.
