## Professional Development

- Fee-for-service and DHS-sponsored program provider training that is culturally sensitive, developmentally appropriate, trauma-informed, and provides training participants with best-practice knowledge.
- Provide Continuing Education Units (CEUs) to qualifying licensed professionals who attend our training events.
- As a leader in professional development for youth service and child welfare providers, we also have a large network of trainers on various topics that support building thriving communities in the areas of Trauma-Informed Care, Juvenile Justice, Runaway and Homeless Youth, Child Welfare, Youth Development and Behavioral Health.

it starts  
with you.

The Illinois Park and Recreation Association's professional development platform offers an array of opportunities for all levels of experience and needs within a broad range of roles in the field of parks, recreation, and conservation. The goal of the platform is to support the on-going process of improving performance by building competency and strengthening the support systems to help raise achievement for professionals.
